

DEPARTMENT OF FINE ARTS

COURSE OUTLINE - Fall 2022

AR3410 (A2): Drawing III – 3 (3-0-3) 90 Hours for 15 Weeks

Northwestern Polytechnic acknowledges that our campuses are located on Treaty 8 territory, the ancestral and present-day home to many diverse First Nations, Metis, and Inuit people. We are grateful to work, live and learn on the traditional territory of Duncan's First Nation, Horse Lake First Nation and Sturgeon Lake Cree Nation, who are the original caretakers of this land.

We acknowledge the history of this land and we are thankful for the opportunity to walk together in friendship, where we will encourage and promote positive change for present and future generations.

PREREQUISITE(S)/COREQUISITE: AR1370 and AR2430 or consent of the department with portfolio.

REQUIRED TEXT/RESOURCE MATERIALS: No textbook is required. A detailed material list that outlines a variety of supplies necessary for this class will provided and reviewed during the first class.

DELIVERY MODE(S): Lecture and Lab

COURSE OBJECTIVES:

- 1. Expand the basic principles of two-dimensional design: line, shape, value, texture, color, tone and composition.
- 2. Manipulate the elements of visual art on a two-dimensional surface through the application of depth perception (overlapping, mechanical perspective, diminishing size and detail, tonal modeling).

- 3. Perceive visual relationships in the environment and record these perceptions in terms of the elements of the visual arts.
- 4. Exhibit the basic working skills used in advanced techniques and materials of drawing including the use of pencil, charcoal, pastels, colored pencils and collage.
- 5. Further development of the skills to render and record the human form.
- 6. The ability to use various drawing mediums to articulate and illustrate ideas and themes that are conceptual in nature.

LEARNING OUTCOMES:

By the end of this course, students will be able to:

- 1. Possess advanced skills with the techniques and materials of drawing: pencil, ink, brush, pastel, conte, mixed media and charcoal.
- 2. Develop the basic skills to render and record the human form.
- 3. Have advanced comprehension of composition as related to drawing.
- 4. Demonstrate skills in the visual language of drawing through working with series and abstraction.
- 5. Will be able to use drawing as a conceptual and expressive tool.

COURSE SCHEDULE/TENTATIVE TIMELINE: Tuesday/Thursday 2:30 – 5:20pm. A detailed schedule will be provided and reviewed during the first class.

STUDENT RESPONSIBILITIES:

- All work for this class must be independently created by the student.
- Students are expected to come to class with the necessary materials for each work session. You are expected to supply your own materials for your projects as necessary.
- Students are required to keep a portfolio of all in-class drawing exercises and projects for the duration of the term.
- Students should plan to spend adequate amounts of time outside of class working on and completing projects for this course.
- Each student is responsible for contributing to a supportive, dynamic classroom community. This includes being present, on time and involved in scheduled activities; participating in group critiques and discussions with a thoughtful, supportive, critical mind; helping with setup and cleanup, and maintaining a respectful class atmosphere.
- ELECTRONICS IN CLASS: Your energy and attention are vital contributions to the class dynamic and a key part of the course. Please be advised that you are not to use electronics in class unless they are for notetaking or class-related purposes. The difference between active, purposeful use of electronics to enhance class experience and non-course related use of electronics is obvious.

- Students are expected to check their email and MyClass. These will be the primary forms of communication between instructor and student.
- Students are expected to use work periods wisely. Students being disruptive during in-class work time may be asked to leave the class.
- Attendance: Attendance is mandatory for all classes.

STATEMENT ON PLAGIARISM AND CHEATING:

Cheating and plagiarism will not be tolerated and there will be penalties.
