DELIVERY MODE:

The course is delivered entirely online using NWP MyClass software and the Pearson MyLab site. For each chapter, a MS PowerPoint presentation is available. Relevant MyLab exercises (not graded) for each chapter will be assigned, as well as chapter quizzes (graded) to test your knowledge, understanding, and application of the material throughout the course. You will be evaluated several times so you can assess how you are doing as you work through the material. There will also be periodic discussion forums (graded) to complete. The exercises, assignments, discussions, and quizzes have specific due dates to keep you on track, so you will finish the 15-week course on time. You may complete some of these evaluations before their due dates, with the exception of the tests.

It is highly recommended that you take advantage of all the material on the MyClass course and Pearson MyLab website. Access to MyLab comes with the purchase of your textbook.
