This practicum course consists of practical experiences with children in community programs such as child care centers, preschools, family day home, kindergartens, and special placement.

The practicum seminar provides a forum for students to integrate theory with practice and to reflect and explore issues related to the field of early childhood education, their studies and their practicum experiences. **Students are required to actively participate in discussions.**

**OBJECTIVES:**

Upon successful completion of this practicum, the student will demonstrate:

- 1) skills in developing a positive rapport with children, skill in interacting with children in a nurturing, supportive manner.
- 2) skill in effectively guiding children's behavior.
- 3) practices that ensure the nutritional, health and safety needs of young children.
- 4) skill in facilitating, extending and enriching children's play in a variety of areas.

- 5) the ability to plan curriculum that supports children's development in all areas.
- 6) the ability to effectively implement and evaluate experiences based on the observed developmental needs and interests of the children.
- 7) the ability to effectively plan, implement, and evaluate learning centers based on the observed developmental needs and interests of the children.
- 8) skills in planning and carrying out group times based on the observed developmental needs and interests of the children.
- 9) the ability to communicate effectively and work collaboratively with other adults in the program.
- 10 ) professional behavior.
