Instructor Policy

All assignments for this class are to be submitted in the required format.

Attendance is essential and is a critical component for success in this class. Absence during an **in-class assignment will** result in a mark of zero. In-class assignments are done and completed during one class period. If you are absent that day you will not be given an opportunity to do the assignments at a later date. The marks for an in-class assignment are a major part of the percentage for the class work and assignments section. Absence during a test will result in a mark of zero. If you cannot be present at the exam, please make alternate arrangements with your instructor well **before** the exam date.

All assignments will be handed in on the expected due dates. Late assignments may not be accepted and/or may be deducted 10% per day. Assignments may be handed in early if you know that you are going to be away on the due date. **Once a test/quiz/assignment has been handed back to the class, there is no opportunity for writing or submitting late and you will be assigned a grade of zero.**
