OBJECTIVES:

1. To increase knowledge of advanced strength training/integrated strength training theory and application.
2. To develop knowledge and understanding of advanced program design for strength training (periodization).
3. To acquire the necessary skills to safely and effectively perform various strength training techniques.
4. To gain an understanding of designing and applying strength training techniques to activity or sport.
5. To experience advanced strength training techniques and programs.
6. To increase knowledge of alternative/supplementary strength training techniques, theory and application.

TRANSFERABILITY:

GRADING CRITERIA:

- **Mid Term Exam 15%**
- **Sport/Activity Specific Training Program 25%** Design a training program for a selected subject. See assignment sheet for details.
- **In Class Assignments/Quizzes 20%**
- **Final Exam 30%** The final written exam will cover all material presented throughout the course.
- **Learning Behavior 10%** Students seeking the excellent rating should be able to illustrate good learning behavior, by being appropriately dressed, punctual, good attendance, considerate towards others, have a good work ethic, and help to create a good learning environment for the class. This will be determined from the student attendance records, and in-class observation of each student.
Student Attendance is critical for success in this class. Students missing more than three unexcused classes will receive zero for the Learning Behavior grade.
- *Missed deadlines on assignments will result in a 10% penalty per day for that assignment. Assignments are due in class on the deadline date.*
