

## DEPARTMENT OF EDUCATION

### COURSE OUTLINE – Fall 2024

#### CD1145 (EC): Practicum II – 5 (0-2-16) 272 Hours for 15 Weeks

Northwestern Polytechnic acknowledges that our campuses are located on Treaty 8 territory, the ancestral and present-day home to many diverse First Nations, Metis, and Inuit people. We are grateful to work, live and learn on the traditional territory of Duncan's First Nation, Horse Lake First Nation and Sturgeon Lake Cree Nation, who are the original caretakers of this land.

We acknowledge the history of this land and we are thankful for the opportunity to walk together in friendship, where we will encourage and promote positive change for present and future generations.

<b>INSTRUCTOR:</b>	Melissa Johnson	<b>PHONE:</b>	403-304-0364
<b>OFFICE:</b>	Distance Instructor	<b>E-MAIL:</b>	Mjohnson@NWPolytech.ca
<b>OFFICE HOURS:</b>	By Appointment		

**CALENDAR DESCRIPTION:** This is normally an eight week practicum in an early childhood setting. Students will have the opportunity to apply theory to practice in their work with young children. Students will spend time in the Children's Centre demonstration program as a component of this practicum and will attend weekly seminars throughout the practicum weeks.

**PREREQUISITE(S):** All courses in year one must be completed prior to taking CD 1145. Notes: Number of practicum weeks and the structure of the practicum may be adjusted for regional and part-time students based upon practicum placement and student needs. Students must successfully complete CD1350 immediately prior to taking CD1145 or have consent of the Department.

**REQUIRED TEXT/RESOURCE MATERIALS:** CD1145 Regional Practicum Booklet

Students are responsible for all fees associated with ProctorU, a live proctoring service for online exams. Fees are paid when you schedule your exams through ProctorU.

Pricing per exam is as follows:

60 minutes or less - \$16 USD

61-120 minutes - \$25 USD

121 - 180 minutes - \$31 USD

**DELIVERY MODE(S):** Zoom Meetings (Lecture, discussion, observation of the student's interactions with young children. Seminar links found in myClass).

**LEARNING OUTCOMES:** Upon completion students will:

1. The student will demonstrate increasing skills in developing a positive rapport with the children in the program.
2. The student will demonstrate increasing skill in interacting with children in a nurturing, supportive manner.
3. The student will begin to demonstrate skills in effectively guiding children's behavior.
4. The student will demonstrate the ability to interact with individual and small groups of children with a growing awareness of how to facilitate, extend, and enrich children's play in a variety of play areas.
5. The student will demonstrate the ability to effectively plan, implement and evaluate experiences based on the observed developmental needs and interests of the children.
6. The student will demonstrate the ability to plan, implement, and evaluate learning centers based on the observed developmental needs and interests of the children.
7. The student will begin to demonstrate skills in planning and carrying out group times (when applicable) based on the observed developmental needs and interests of the children.
8. The student will demonstrate an awareness of the nutritional, health and safety needs of young children.
9. The student will demonstrate the ability to communicate effectively and work collaboratively with other adults.
10. The student will demonstrate professional behavior.

**TRANSFERABILITY:** Please consult the Alberta Transfer Guide for more information.

You may check to ensure the transferability of this course at the Alberta Transfer Guide main page <http://www.transferalberta.alberta.ca>.

**\*\* Grade of D or D+ may not be acceptable for transfer to other post-secondary institutions. Students are cautioned that it is their responsibility to contact the receiving institutions to ensure transferability.**

**EVALUATIONS:** Feedback is provided on planning sheets, seminar discussions, logbook entries, supervision visits and evaluations.

**GRADING CRITERIA:** Please note that most universities will not accept your course for transfer credit **IF** your grade is **less than C-**.

The credit/no credit grading system is used to determine the final course grade. Attendance is mandatory and students must successfully fulfill all observation and seminar requirements to receive credit in this course. This includes completing ALL requirements of a variety of planned experiences with young children (as specified in CD1050) and engaging in all seminar discussions.

### Credit/No Credit Grading:

Alpha Grade	4-Point Equivalence	Percentage Conversion (unless otherwise specified in the Course Outline)	Descriptor
CR	N/A	50-100	Credit
NC	N/A	0-49	No Credit

**COURSE SCHEDULE/TENTATIVE TIMELINE:** The timeline for this course will follow a schedule of due dates for logbooks, discussions, and evaluations. The dates can be found within the course under 'Important Information'.

**STUDENT RESPONSIBILITIES:** The College expects students' conduct to be in accordance with basic rights and responsibilities. Please refer to NWPolytech calendar regarding rights and responsibilities. Students are required to ensure an understanding of the expectations provided in the Regional Practicum Handbook.

Students must adhere to the Guiding Principles and Value set forth in the handbook and complete the tasks outlined in the handbook. Students must complete task by due dates provided by the instructor.

**STATEMENT ON ACADEMIC MISCONDUCT:** Academic Misconduct will not be tolerated. For a more precise definition of academic misconduct and its consequences, refer to the Student Rights and Responsibilities policy available at <https://www.nwpolytech.ca/about/administration/policies/index.html>.

\*\*Note: all Academic and Administrative policies are available on the same page.

## Additional Information:

### USING PROCTORU:

This course uses ProctorU Live for online exams. To utilize this service, you are required to complete the following steps:

- Create a ProctorU account by clicking the ProctorU link in the course.
- Download and install the Guardian Web Browser, Google Chrome, and the ProctorU extension.
- Schedule each exam at least 3 days (72 hours) in advance. If you miss this deadline, you cannot take the exam.
- Pay for the proctoring service. The fees are exclusively your responsibility and in no event shall be the responsibility of Northwestern Polytechnic.

For more detailed instructions [click here](#), and for video instructions [click here](#).

Before each exam, you must complete a room scan with your web camera, during which you will show your surroundings to a live proctor.

The invigilator will ask to view (but not collect or store) your student identification to verify your identity and will remotely access your computer to unlock the exam. When monitoring your actions via video streaming, the invigilator may possibly record your actions if they suspect academic integrity behavioural issues. You will be verbally notified if/when recording begins.

The collection of and access to the personal information listed above is permitted under subsection 33(c) of the *Freedom of Information and Protection of Privacy Act*, RSA 2000, c F-25, which states, "No personal information may be collected by or for a public body unless that information relates directly to and is necessary for an operating program or activity of the public body." In addition, subsection 39(4)

states, "A public body may use personal information only to the extent necessary to enable the public body to carry out its purpose in a reasonable manner."

Records Retention: Any video records of you created by ProctorU will be kept by ProctorU for a maximum of 7 days in order to make a decision about any possible academic integrity infraction, after which time it shall be permanently deleted. All other personal information collected and stored by ProctorU within your profile account will be permanently deleted if the account has not been used after one year.

## **Consent to Store Personal Information Outside Canada**

ProctorU is an American company. An agreement is in place between ProctorU and Northwestern Polytechnic by which ProctorU will take reasonable steps to protect your personal information from unauthorized access and disclosure. Information about how ProctorU protects your privacy can be found in their [Privacy Policy](#).

By using the ProctorU service via Northwestern Polytechnic, you consent to the storage of and access to your personal information outside of Canada.

This consent is in effect from the day you register with ProctorU and expires one year after completion of your exam.

Additional privacy and liability information regarding the use of ProctorU is available on the NWP website.
