CLASSROOM EXPECTATIONS:

- 1) Regular, punctual attendance. Arriving late is not only rude, it is disruptive to the flow of learning within the classroom. Irregular attendance results in you missing important information and does not set you up for success.
- 2) Tests and quizzes **must** be written in-person. Missing one will result in a grade of zero.
- 3) Minimize cellphone usage and other distractions in class.

- 4) In order to maintain an environment of optimal learning, please understand that children are not permitted in class. Ensure you have made alternative arrangements for your child(ren) during class time.
 - 5) Grades are not negotiable and will not be changed (with the exception of instructor error, *i.e. adding up totals incorrectly*). The goal is for you to demonstrate your *learning*, not chase a number. Your instructor is available to clarify any misunderstandings you may have about the content to ensure better understanding; however, posted grades will not be altered.
 - 6) Assignments must be properly submitted, on time, in **.doc** or **.pdf** format (unless otherwise indicated). Failure to properly upload an assignment could result in a zero if your instructor is unable to access the assignment.
 - 7) Students are expected to complete readings and review materials outside of class time and check MyClass and student email regularly.
- *Instructors reserve the right to make exceptions to certain rules in extenuating circumstances, on a case-by-case basis.*
 - *If you are a student that has an official letter of accommodation, ensure you follow the procedures regarding accommodations by making proper arrangements with your instructors well before assignment due dates.*
