3. Extensions will not be granted for written assignments except in extenuating circumstances. Documentation will be required.
4. This course places a premium on academic integrity. In practice, this means that students are responsible for citing any materials that they use in their written work for this course. Additionally, students may not use AI resources in their written work for this course. This prohibition includes resources such as ChatGPT, the generative AI function in Grammarly, and in other related resources.
5. My expectation is that students who are healthy will attend **all** classes. Students who are ill or need to be absent for other legitimate reasons should contact and inform me. Excused absences will have no impact on a student's grade; however, unexcused absences will negatively affect the participation component of a student's grade and could result in a failing grade for that component of a student's final mark.
6. Students are required to check MyClass before each class to stay informed concerning the schedule of readings as well as course updates and announcements.
7. Students do not need to make appointments to meet with me during my office hours. Anyone who wants to meet with me outside of my scheduled hours may contact me to arrange an alternate meeting time. Students wishing to meet via Zoom rather than in my office may request a virtual appointment. Please note that I will not meet with you outside of regular working hours.
8. Cellphones should be out of sight during class time. Students who are repeatedly on their cellphones during class will receive failing grades for participation.
9. The date for the midterm is February 26. This information can also be found on the more detailed schedule of readings and assignments available on the myClass page for this course. The midterm **will not** be rescheduled except in extenuating circumstances. Documentation **will be required** for any student wishing to complete work on an alternate date.
10. Students should feel free to email me with questions or concerns at any point during the semester. I will do my best to respond to your emails as quickly as possible, but emails sent outside of regular working hours will not receive immediate replies.
11. The final exam for this class will be scheduled by the registrar and will take place in April. The exam **will not** be rescheduled except in extenuating circumstances. Documentation **will be required** for any student wishing to write the final exam on an alternate date.
