DISTANCE LEARNING EXPECTATIONS:

- 1) Grades are not negotiable and will not be changed (with the exception of instructor error, *i.e. adding up totals incorrectly*). The goal is for you to demonstrate your *learning*, not chase a number. Your instructor is available to clarify any misunderstandings you may have about the content to ensure better understanding; however, posted grades will not be altered.
 - 2) Assignments must be properly submitted, on time, in .doc or .pdf format (unless otherwise indicated). Failure to properly upload an assignment could result in a zero if your instructor is unable to access the assignment.
 - Instructors reserve the right to make exceptions to certain rules in extenuating circumstances, on a case-by-case basis.
 - If you are a student that has an official letter of accommodation, ensure you follow the procedures regarding accommodations by making proper arrangements with your instructors *well before* assignment due dates.
 - 3) Students are expected to complete readings and review materials outside of class time and check MyClass and student email regularly.
 - 4) Using AI to formulate responses will result in a grade of ZERO. Your work should be your own, not that of any other, including AI assistance.
- *Instructors reserve the right to make exceptions to certain rules in extenuating circumstances, on a case-by-case basis.*
 - *If you are a student that has an official letter of accommodation, ensure you follow the procedures regarding accommodations by making proper arrangements with your instructors well before assignment due dates.*
