STUDENT RESPONSIBILITIES:

VC Student Requirements

Technology	A stable internet connection sufficient to meet the class requirements. Webcam, microphone, speakers.
Class Participation	Camera on and showing your face during class. An appropriate screen name.
Test/Exam Supervision These are requirements essential to maintaining the academic integrity of the course. The dual camera option is available to VC students only	Dual camera setup. During the exams you must have a webcam showing your face and a camera behind you showing your work surface with your computer. If you are unable to meet the dual camera setup requirement VC students can pay to write the exams at an independent proctor location approved by me. Note: the proctor cannot be a friend/family member, etc.

If neither of the above two options work for you, another option is to come to the NWP campus in person and write the exams with the other students during the scheduled time.

Ultimately, you are responsible for your learning and performance in this course.

Your grades are posted to myClass, so please be sure you are tracking them there. If you believe there is an error, please let your instructor know.

Submission & Late Policies:

- Equally important to learn and apply professional communication skills, such as writing proper e-mail messages, it is very important to learn to meet deadlines. Complete your assignments on time!
- Late assignments received will be deducted 5% for every late day (including weekends!).
- Incomplete assignments will receive a grade of 0 unless you have a valid reason supported with appropriate documentation (i.e., a medical note from an M.D.) and you discuss it with me well in advance of any due date.
- Note: extensions will be given only when students notify the instructor prior to the deadline and present valid evidence excusing lateness.

STATEMENT ON ACADEMIC MISCONDUCT:

Academic Misconduct will not be tolerated. For a more precise definition of academic misconduct and its consequences, refer to the Student Rights and Responsibilities policy available at <https://www.nwpolytech.ca/about/polytechnic-leadership/policies-directory>.
