## VC Requirements

Technology	A stable internet connection sufficient to meet the class requirements. Webcam, microphone, speakers.
Class Participation	Camera on and showing your face during class. An appropriate screen name.
Test/Exam Supervision These are requirements essential to maintaining the academic integrity of the course. The dual camera option is available to VC students only	Dual camera setup. During the exams you must have a webcam showing your face and a camera behind you showing your work surface with your computer. If you are unable to meet the dual camera setup requirement VC students can pay to write the exams at an independent proctor location approved by me. Note: the proctor cannot be a friend/family member, etc. If neither of the above two options work for you, another option is to come to the NWP campus in person and write the exams with the other students during the scheduled time.

### **Submission, Late Policies, & Issues of Intellectual Concern:**

- Equally important to learn and apply professional communication skills, such as writing proper e-mail messages, it is very important to learn to meet deadlines. Complete your assignments on time!
- Late assignments received will be deducted 5% for every late day (including weekends!).
- Incomplete assignments will receive a grade of 0 unless you have a valid reason supported with appropriate documentation (i.e., a medical note from an M.D.) and you discuss it with me well in advance of any due date.
- In cases where submitted work exhibits concerning patterns or raises questions for the instructor about its creation and the student's intellectual effort involved, students may be required to submit to an oral examination regarding the work at the discretion of the instructor. Failure to participate in the oral examination will result in an assigned grade of 0 for the assessment. If, following the oral examination, the instructor still has concerns about the work, the academic misconduct provisions of the Student Rights and Responsibilities policy (linked below) may be applied.

## **STATEMENT ON ACADEMIC MISCONDUCT:**

Academic Misconduct will not be tolerated. For a more precise definition of academic misconduct and its consequences, refer to the Student Rights and Responsibilities policy available at <https://www.nwpolytech.ca/about/administration/policies/index.html>
