COURSE OUTLINE – Fall 2026

AR 1101 (B2): 2D Fundamentals- 3 (2.5-0-2.5) 75 Hours for 15 Weeks

Tuesday and Thursday from 2:30 PM to 4:50 PM

Northwestern Polytechnic acknowledges that our campuses are situated on Treaty 8 territory, the ancestral and present-day home to many diverse First Nations, Métis, and Inuit peoples. We are grateful to work, live and learn on the traditional territory of Duncan's First Nation, Horse Lake First Nation and Sturgeon Lake Cree Nation, who are the original caretakers of this land.

We acknowledge the history of this land, and we are thankful for the opportunity to walk together in friendship, where we will encourage and promote positive change for present and future generations.

CALENDAR DESCRIPTION: A studio and lecture-based course with emphasis on the foundational principles and elements of 2D composition and design, including an introduction to colour theory. Students will be guided through the exploration of a variety of 2D mediums, materials, and processes, including safe handling protocols.

PREREQUISITE(S)/COREQUISITE(S): None

REQUIRED MATERIALS: A detailed material list will be provided and discussed in class.

DELIVERY MODE(S): On-Campus: Lecture and Studio

LEARNING OUTCOMES: Upon completion of the course, students should be able to:

- Identify and apply the basic elements of 2D design: line, shape, value, texture, colour, and composition.
- Identify and apply the principles of design: emphasis, repetition, movement, contrast, rhythm, pattern, variety, unity, proportion, and balance.
- Apply foundational colour theory in their work.
- Demonstrate basic skills using a range of 2D art materials and media.
- Show focus, discipline, and professionalism by completing projects on time.
- Think creatively and use problem-solving strategies grounded in design elements and principles.
- Follow health and safety protocols when working with 2D materials.
- Contribute constructively to critiques and discussions, demonstrating an understanding of community in the visual arts.

TRANSFERABILITY:

Please consult the Alberta Transfer Guide for more information. You may check the transferability of this course at the Alberta Transfer Guide main page <http://www.transferalberta.alberta.ca>.

**** For courses with alpha (letter) grading, a grade of D or D+ may not be acceptable for transfer to other post-secondary institutions. Students are cautioned that it is their responsibility to contact the receiving institutions to ensure transferability.**

EVALUATIONS:

Course Grading Weights

Project 1: Basics of Line/Tone: Pencil and Pen: Emphasis/Tone/ Repetition/ Pattern (to create tone) **15%**

Project 2: Comic: Pen and Ink: Tone/ Repetition/ Pattern/Shape/Composition **20%**

Project 3: Lino Cut: Line/ Balance/ Movement/Texture **30%** (supplies provided)

Project 4: Colour Wheel: Paint: Colour Sensitivity and its Importance **35%**

GRADING CRITERIA: Will be based on:

1. The level of creativity and craftsmanship demonstrated in all assignments, including sketches and research.
2. The degree of knowledge and understanding of the elements and principles.

3. Your level of enthusiasm, commitment, involvement and flexibility in both studio work and individual/collective critiques establishes your participation grade. Detailed guidelines, with mark breakdowns and evaluation criteria, will be reviewed during each project introduction.
