

DEPARTMENT of Nursing Education and Health Studies

COURSE OUTLINE – Fall 2026

NS2220 (A2/B2/C2): Indigenous Health – 3 (3-0-0) 45 Hours for 15 Weeks

Northwestern Polytechnic acknowledges that our campuses are located on Treaty 8 territory, the ancestral and present-day home to many diverse First Nations, Metis, and Inuit people. We are grateful to work, live and learn on the traditional territory of Duncan's First Nation, Horse Lake First Nation and Sturgeon Lake Cree Nation, who are the original caretakers of this land.

We acknowledge the history of this land and we are thankful for the opportunity to walk together in friendship, where we will encourage and promote positive change for present and future generations.

ASSIGNMENT DESCRIPTIONS:

1. Weekly Knowledge Checks 25%

Content will be tested from the assigned weekly readings. Knowledge checks will be completed on myClass and each student will independently complete the quiz to consolidate their class learning for the week during class time as scheduled by the instructor. 20-minute allotments to complete the knowledge checks in class. In-person attendance is mandatory to complete knowledge checks with no exceptions unless determined with the instructor prior to the scheduled class date.

3. Group Contracts (Complete/Not Complete)

Group Contracts are to be submitted by the assigned due date on myClass in the appropriate assignment dropbox. All group members must identify their assigned work, contribute equally and uphold their shared duties in the established group contract to receive grading for this assignment and group presentation. Failure to uphold your assigned contributions will result in a grade of zero.

4. Indigenous Healthcare Solutions Paper 30%

This assignment is to assist students in acquiring a deeper understanding of health issues Indigenous people face within the healthcare organization and solutions that can aid in closing those gaps for Indigenous people within Canada.

- Each group will research a current issue Indigenous people have faced from the gaps within a healthcare system. The group will find a current Canadian news article or research publication on a current health inequity encounter an Indigenous person has faced and provide at least three recommendations on how nurses can help break the barriers and close the gaps within the healthcare system for Indigenous peoples.
- Assignment must include 3 headings clearly answering the following:
 - 1). Description of the incident related to health equity.
 - 2). Your opinion as to why the incident occurred within the healthcare system.
 - 3). Minimum of three recommendations describing how nurses can assist in changing the outcome of the incident if future occurrences were to take place.
- Minimum 1000 words to a maximum of 1300 words required (not title page and references). APA 7th edition formatting including title page and reference page for citing event source.
- To be submitted in a word or PDF document on myClass page in the applicable 'Assignment' dropbox
- Rubric on myClass page.

3. In-Class Presentation: 35%

In your groups you are asked to create and present on the topic you have selected. The digital presentation should either be in the form of an electronic poster, a photovoice, a video and/or PowerPoint on an issue relevant to Indigenous health in Canada. Your presentation may address any number of different issues as long as they fall within the concepts discussed throughout the course. This assignment is broken into 2 parts: Group Outline and Oral Presentation.

- **Group Outline (5%)** - The group outline will be one page in length following the formatting guidelines available on MyClass. The purpose of the group outline is to provide a concise description of the topic your presentation, the goals of the presentation, how you will present your work (presentation) and what your presentation will be about. Literature must be integrated and referenced using current APA guidelines (minimum of 2 resources) to support the importance of choosing your topic. If group outline is judged to be underdeveloped, you may be asked for a revised copy to be submitted. In such case the original mark will not be modified. The group outline is submitted as one assignment for all group members.
- **Presentation (30%)** - The 10-minute digital presentation must demonstrate your group's ability to integrate relevant resource materials (ex: photographs, graphs, brochures, etc.) to engage your audience and have them develop a deeper understanding of your topic/issue related to Indigenous Health. The presentation will be evaluated for content, connection to nursing practice, critical thinking and relevance, interactive and creativity, images, and APA referencing. Rubric for grading is posted to myClass for review. All group members must contribute equally and uphold to their shared duties to the established group contract to receive grading for this assignment. Further details below.

Group Presentation Assignment Details:

Working with your group, you will create and deliver a **10-minute presentation** to the class. This assignment provides an opportunity to explore important issues related to Indigenous health and connect them directly to nursing practice. Choose one of the following topics to explore deeper and adhere to the presentation requirements. Once topic category is chosen, students must identify a specific topic within the category and confirm topic choice with instructor.

Topic Option Parameters (choose one):

- Traditional Medicines & Healing
- Traditional Practices & Cultural Knowledge
- Culture & Spirituality
- Indigenous Health Inequities
- Contemporary Issues in Indigenous Health

Presentation Requirements:

- Each presentation (regardless of topic) must include **1–2 slides** on how your chosen topic can be incorporated into nursing practice.
- Your presentation should include:
 1. **Background information** on the chosen topic.
 2. **Relevance to nursing practice** – how nurses can apply this knowledge in real settings.
 3. **Importance of the topic** – why this issue matters for nurses, patients, and healthcare.
 4. **References** – minimum of 5 scholarly or credible sources in proper APA format.

- Creativity is encouraged! Some examples you may use are visuals, case examples, scenarios, or interactive elements.

4. Professionalism and Engagement 10%

- There are many guest speakers being invited as guests to our classrooms and providing us their valuable time to assist us with our classrooms learning. Being present and engaged is crucial to continue collaborative partnerships to enhance student learning. All classes include group discussion, reflection, and activities; therefore, participation is imperative for learning.

COURSE SCHEDULE/TENTATIVE TIMELINE:

Please refer to the myClass page for class schedule.

Turnitin Disclosure:

As part of NWP's commitment to academic integrity, all written assignments submitted by students will be reviewed using Turnitin software, an online plagiarism detection tool, to verify originality and ensure academic integrity. Turnitin compares student work to a vast database of academic sources, publications, and previously submitted assignments to identify potential instances of plagiarism or improper citation(s). By enrolling in this course, students acknowledge and consent to the use of Turnitin for assignment submissions.

STUDENT RESPONSIBILITIES:

Please refer to the Students Rights and Responsibilities Policy on the main NWP website.

<https://www.nwpolytech.ca/about/administration/policies/fetch.php?ID=69>

LATE ASSIGNMENT POLICY:

To obtain credit in the course ALL assignments, examinations, and quizzes weighted 10% or greater must be completed to obtain credit in the course and permitted to write the final examination if applicable. Students are expected to make every effort to complete assignments on time. Assignment submissions are expected on the date determined by faculty. If extensions are necessary, they may be requested up to 48 hours prior to the assignment due date, and should be submitted in writing to the faculty member involved for review. Not all extensions will be granted. In exceptional situations, extension requests within the 48-hour period may be considered. Late assignments will have 5% of total marks (or one letter grade) for the assignment deducted for each day/partial day (including weekend days) beyond the due time. For example, a paper marked at B+ would receive an adjusted grade of B if handed in one day late. After 5 days, a grade of 0 will be awarded to the assignment. Papers/assignments may not be rewritten for a higher grade. When submitting assignments electronically, it is the student's responsibility to ensure the assignment has been received. Concerns regarding grading are to be discussed with the faculty member involved.

STATEMENT ON PLAGIARISM AND CHEATING:

Cheating and plagiarism will not be tolerated and there will be penalties. For a more precise definition of plagiarism and its consequences, refer to the Student Conduct section of the College Calendar at <https://www.nwpolytech.ca/programs/calendar/> or the College Policy on Student Misconduct: Plagiarism and Cheating at <https://www.nwpolytech.ca/about/administration/policies/index.html>

STATEMENT ON ACADEMIC MISCONDUCT:

Academic Misconduct will not be tolerated. For a more precise definition of academic misconduct and its consequences, refer to the Student Rights and Responsibilities policy available at <https://www.nwpolytech.ca/about/administration/policies/index.html>.

****Note:** all Academic and Administrative policies are available on the same page.

AI USE DISCLOSURE:

The use of Artificial Intelligence (AI) tools are not encouraged for completing any assignments within this course, including weekly critical reflections. Students who choose to use AI tools **must** disclose and reference their use appropriately. AI tools may be used **only** for

supportive purposes (e.g., checking grammar, APA formatting) if needed. AI tools **MUST NOT** be used for generating ideas, analysis, or original written content.

Students who use AI tools must include the following:

- An Appendix at the end of the assignment titled “AI Use Disclosure.”
- Include the exact prompts entered into the AI tool.
- Include the full or summarized AI-generated responses used.
- Briefly explain how the tool was used (e.g., “used to check APA formatting”).
- An in-text acknowledgment at the end of the assignment:
 - “[AI tool name] was used for [purpose]. All outputs were reviewed prior to assignment submission. Prompts and outputs are provided in the Appendix.”
 - *For example:*
 - OpenAI’s ChatGPT 4o was used for APA formatting. All outputs were reviewed prior to assignment submission. Prompts and outputs are provided in the Appendix.

Failure to disclose AI use may be considered academic misconduct under Northwestern Polytechnic’s Academic Integrity Policy. Failure to uphold your assigned obligations will result in a grade of zero of any assignment.
