ACCOUNTING 3220 Managerial Information and Control Systems

Department of Arts, Education & Commerce Grande Prairie Regional College Winter Term 2000

Instructor: Doug Frattini

Office:

C201

Hours:

Monday - Friday 8:00 am - 10:00 am

Phone:

539-2889 (Office) 539-7465 (Home)

Objective:

This course is intended to introduce students to concepts of management accounting. Topics covered include corporate goals, planning and control, cost accumulation for pricing purposes, and product costing. At the end of the course, students should be familiar with management accounting nomenclature and techniques and should have developed skills necessary to use management

information.
