BA 204 - INVESTMENTS

REQUIRED TEXT: Mayo, Herbert B. Investments. 2nd ed., New York, NY: Holt, Rinehart, Winston, 1988.

OPTIONAL TEXT: Francis, Jack Clark. Management of Investments. 2nd edition. New York, NY: McGraw Hill Book Company, 1988.
How to Invest in Canadian Securities, The Canadian Securities Institute, Toronto, Ont., 1986.
(For those wishing a more in-depth treatment of some topics.)

PREREQUISITE: Nil

COURSE DESCRIPTION: An introduction to investments for individuals. The course will introduce briefly some of the concepts and tools needed to design and implement an investment strategy. In addition, the course will introduce the more common investment products which an individual will use to implement the investment strategy.

COURSE OBJECTIVES: 1) To introduce the fundamentals of investing.
2) To introduce some of the tools needed to design and implement an investment program.
3) To reduce the mysteries of the investment markets by devoting a portion of each class to a discussion of current investment news.
4) To give the course a practical flavour by playing an investment game.

GRADING: Students will choose from one of the following grading schemes.

1) Paper #1	25%	2) Paper #1	20%
Game	10%	Paper #2	20%
Mid-term Exam	25%	Game	10%
Final Exam	40%	Mid-term Exam	20%
		Final Exam	30%

COURSE OUTLINE
BA 204 - INVESTMENTS

Paper #1 will be based on the financial statement analyses chapters in the text and supplementary readings. The student will choose a company from a selection of financial statements offered by the instructor, examine its investment potential and make a recommendation on it. The deadline for this paper will be November 4, 1988 at 5 p.m.

Paper #2 will be on a topic of the student's choice and may include an analysis of a specific commodity such as wheat, gold, platinum or currency, impact of deregulation in Canada, the relative advantages/disadvantages of technical trading, the analysis of some economic policy on the investment markets, the impact of the Crash of '87, the investment impact of free trade, etc. All topics are to be approved by the instructor and a topical outline is due no later than October 25. The deadline for this paper will be November 29, 1988 at the end of the class.

Both papers should be limited to no more than 10 pages exclusive of appendices and references. No late papers will be accepted.
