

DEPARTMENT OF HUMAN RESOURCES

COURSE OUTLINE – Fall 2022

CD1145 (EC): Practicum II – 5 (0-2-32) 256 Hours for 15 Weeks

Northwestern Polytechnic acknowledges that our campuses are located on Treaty 8 territory, the ancestral and present-day home to many diverse First Nations, Metis, and Inuit people. We are grateful to work, live and learn on the traditional territory of Duncan's First Nation, Horse Lake First Nation and Sturgeon Lake Cree Nation, who are the original caretakers of this land.

We acknowledge the history of this land and we are thankful for the opportunity to walk together in friendship, where we will encourage and promote positive change for present and future generations.

CALENDAR DESCRIPTION: This is normally an eight week practicum in an early childhood setting. Students will have the opportunity to apply theory to practice in their work with young children. Students will spend time in the Children's Centre demonstration program as a component of this practicum and will attend weekly seminars throughout the practicum weeks.

PREREQUISITE(S)/COREQUISITE: CD1020, CD1045, CD1100, CD1350, CD1370 and CD2070 or consent of the Department. Students who choose to complete a workplace practicum in a school age care program must complete CD2120 as a prerequisite. Notes: Number of practicum weeks and the structure of the practicum may be adjusted for regional and part-time students based upon practicum placement and student needs. Students must successfully complete CD1350 immediately prior to taking CD1145 or have consent of the Department.

REQUIRED TEXT/RESOURCE MATERIALS: CD1145 Regional Practicum Booklet

DELIVERY MODE(S): Zoom Meetings (Lecture, discussion, observation of the student's interactions with young children. Seminar links found in myClass).

COURSE OBJECTIVES: This course introduces students to the field of early learning and child care. Students observe and participate in a variety of early childhood settings and begin to integrate concepts and theories in course work with practical experience in the field. Students will attend regularly scheduled seminars throughout the semester. Students will apply their knowledge of early childhood best practice to support children's learning and development. Students are expected to apply their learning from Practicum I CD1045 and its pre/co-requisite courses and the remaining certificate courses.

LEARNING OUTCOMES: Upon completion students will:

1. The student will demonstrate increasing skills in developing a positive rapport with the children in the program.
2. The student will demonstrate increasing skill in interacting with children in a nurturing, supportive manner.
3. The student will begin to demonstrate skills in effectively guiding children's behavior.
4. The student will demonstrate the ability to interact with individual and small groups of children with a growing awareness of how to facilitate, extend, and enrich children's play in a variety of play areas.
5. The student will demonstrate the ability to effectively plan, implement and evaluate experiences based on the **observed** developmental needs and interests of the children.
6. The student will demonstrate the ability to plan, implement, and evaluate learning centres based on the **observed** developmental needs and interests of the children.
7. The student will begin to demonstrate skills in planning and carrying out group times (when applicable) based on the **observed** developmental needs and interests of the children.
8. The student will demonstrate an awareness of the nutritional, health and safety needs of young children.
9. The student will demonstrate the ability to communicate effectively and work collaboratively with other adults.
10. The student will demonstrate professional behavior.
