

**GRANDE PRAIRIE REGIONAL COLLEGE
DEPARTMENT OF EARLY CHILDHOOD DEVELOPMENT
CD2170
LANGUAGE ENHANCEMENT FOR YOUNG CHILDREN**

HOURS: 30 **Credits: 2**

SEMESTER: _____

INSTRUCTOR: _____

PHONE: _____

TEXT: _____

COURSE DESCRIPTION:

This course explores children's expressive and receptive language development as well as their construction of knowledge about the reading and writing processes. Students will examine ways in which the preschool environment can support children in their attempts to understand and use the language system of their society. The course provides students with a solid foundation for facilitating preschool children's development in speaking, listening, reading and writing.

COURSE OUTLINE REVISED: MAY, 1995

LANGUAGE ENHANCEMENT FOR YOUNG CHILDREN

CD2170

UNITS

UNIT 1

The learner will be able to use their knowledge of language development to set appropriate oral language goals for young children.

UNIT 2

The learner will demonstrate an understanding of the important role that the young child's environment plays in the development of communicative competence.

UNIT 3

The learner will demonstrate an understanding of the emergent reading process and the factors which may affect a child's success in becoming a competent, independent reader.

UNIT 4

The learner will be able to use a child-centred approach in facilitating the emergent writing skills of young children.

CD2170
LANGUAGE ENHANCEMENT FOR YOUNG CHILDREN

UNIT 1

The learner will be able to use their knowledge of language development to set appropriate oral language goals for young children.

Objectives: Upon successful completion of this unit, the student will be able to:

- A. Outline the developmental progression of oral language skills.
- B. Explain how children learn about language and its functions.
- C. Establish appropriate oral language goals for young children.
