INTRODUCTION TO EDUCATIONAL PSYCHOLOGY (ED 1630)

SEPTEMBER TO DECEMBER 1992

---

**INSTRUCTOR:** Mrs. Bibi Laurie

**OFFICE:** Room - D 324

**PHONE:** 539-2911

**TEXTBOOK:** Papalia, D. and Olds S: Human Development, McGraw-Hill Book Co. Fifth Edition.

**CLASS SCHEDULE**

Monday, Wednesday, Friday:	9:00 to 9:50
Section A, S, Seminar - Tues.:	3:00 to 4:50
Section A, S, Seminar - Wed.:	3:00 to 4:50

**COURSE**

This course focuses on human growth and development processes such as sensory and perceptual ability, cognitive and language development, behavioral genetics, and effects of socialization agents such as family, peers and teachers.

Emphasis is on childhood but adolescence, adulthood, and old age are included as important and relevant stages of growth and development through the life span.

**OBJECTIVES**

This course is designed to introduce you to the basic themes and emphases of human growth and development. In the process of interactions in the classroom we hope you will:

- a. gain factual knowledge about human growth and development.
- b. learn fundamental principles, generalizations, and theories of human growth and development.
- c. understand your own unique characteristics as a developing, growing human being.
- d. discover the implications and practical applications of the knowledge you acquire in this course.
