

criteria I use to assess "contribution" are: a student's willingness and ability to respond and ask questions, participate in discussions either in small peer groups or with the class, give occasional oral presentations, and above all else to attend class regularly. These are not given separate grades, but I do keep an accumulative record of what individual students contribute.

Class Mark = 70% of Final Grade
Final Exam = 30% of Final Grade
Final Exam covers the Entire Course

Ground Rules:

- 1) No essays will be accepted after the due date unless prior arrangements have been made with the instructor.
