STUDENT RESPONSIBILITIES:

All assignments must be formatted using a word processor. It is particularly important to save a copy of any written work handed in for credit or grading.

Assignments are due on the dates set by the instructor. If there is a valid reason for an extension, it must be requested prior to the due date.

Regular attendance is critical to success in EN1201. Should a student be unable to attend a class, it is the student's responsibility to acquire the material missed and to complete the assigned readings, in-class work, and assigned homework.

If a student is unable to attend an in-class test or quiz, the instructor may be advised before the test/quiz is administered. Voice mail or e-mail notification is acceptable. The test/quiz will usually then be written at an appropriate time. Failure to notify the instructor of an absence will result in a grade of 0.

It is expected that assignments will be handed in during the lesson. If a student does not hand in an assignment when it is due, the procedure is as follows:

1. Advise the instructor that the assignment has not been submitted and confirm the date it will be submitted.
2. When the assignment is completed, keep a digital or hard copy of it.
3. Deliver the assignment to the Cashier's Office where it will be placed in the instructor's mailbox.
4. Confirm with the instructor the receipt of the assignment.

Assignments and projects not picked up by students will be held until the end of the first week of the following semester.

STATEMENT ON PLAGIARISM AND CHEATING:

Please refer to pages 49-50 of the College calendar regarding plagiarism, cheating and the resultant penalties. These are serious issues and will be dealt with severely. The instructor reserves the right to use electronic plagiarism detection services.
