EVALUATIONS:

Moodle Activities (Quizzes, Discussion Forum, Reviews)	15%
Options Assignment	10%
Research Project	25%
Tests – 2 worth 10% each	20%
Final Exam	30%
Course Total	100%

All assignments must follow the requirements laid out in the course assignment file. Topics must be approved by the instructor unless specified otherwise in the course assignment file.

All assignments must be original work for this course. Work previously submitted for other courses will not be accepted in this course. Students found to have submitted previous work will receive a 0% for the assignment.

All assignments must be word-processed. It is particularly important to save a copy of any written work handed in for credit or grading.

All assignments will be submitted electronically via Moodle. This procedure will be demonstrated in class.

All research assignments are to be submitted electronically before 8am the morning after the due date. Work submitted after the deadline will be assessed at a diminishing value of 10% for every 24 hour period or part thereof to a minimum value of 50% of the grade. Late work will be accepted up to 8am the morning of the day of the final exam. Extensions will only be considered when students contact the instructor prior to the deadline and present evidence of extenuating circumstances.

Students will be assessed on their research, synthesis and writing in the course assignments. The presentation of information in terms of organization and writing will be given equal weight in grading to the research and analysis.

There will be two tests scheduled during the term and a final exam written during the exam period in April.
