COURSE OUTLINE – Winter 2024**

PE2930 (A3): Introduction to the Movement Activities of Children – 3 (0-3-0) 45 Hours for 15 Weeks

Northwestern Polytechnic acknowledges that our campuses are located on Treaty 8 territory, the ancestral and present-day home to many diverse First Nations, Metis, and Inuit people. We are grateful to work, live and learn on the traditional territory of Duncan's First Nation, Horse Lake First Nation and Sturgeon Lake Cree Nation, who are the original caretakers of this land.

We acknowledge the history of this land and we are thankful for the opportunity to walk together in friendship, where we will encourage and promote positive change for present and future generations.

STUDENT RESPONSIBILITIES:

1. Participation and Engagement:

Active participation is key in this experiential course. It's essential to attend and be engaged in all scheduled sessions; unfortunately, we cannot offer make-up labs, however exceptions may be made on a case-by-case basis.

2. Attendance Protocols:

Every session has attendance checks. Those present but inactive may be given in-class tasks to ensure they remain engaged. Students arriving up to 15 minutes late should discreetly join the session and may be asked to complete a brief catch-up task after class. If over 15 minutes late, students may be marked as absent, given the significant amount of content missed. If you anticipate being late, please try your best to inform the instructor in advance.

3. Attendance and Exceptions:

For medical-related absences or injuries, a note from a doctor or qualified medical professional is mandatory. If you sustain an injury and expect prolonged absences, please liaise with the instructor promptly. Students involved in intercollegiate events should preemptively consult with the instructor about possible scheduling conflicts. Alternate assignments might be offered to accommodate unforeseen situations. Please be aware that exceeding 10% (or 5 sessions) absence could render you ineligible for the final exam.

4. Late Policy:

Assignments are due by 12 midnight MST/MDT on the specified due date. Late assignments face a 5% daily deduction, to a maximum of 7 days. Missed exams, barring validated emergencies will result in a grade of zero. Approved alternative assignments will also be subject to the daily penalty.

5. Dress Code:

To optimize our Lab sessions, please arrive to class dressed in movement-friendly clothing that allows for flexibility and ease. Footwear please wear clean indoor shoes, be it workout shoes or runners. Ensure they are appropriate for physical activities and provide adequate support.

6. Electronic Devices:

You're welcome to use electronic devices as long as they don't disrupt the learning environment. If they become a distraction, you may be asked to step out or adjust your usage. Remember, our primary goal is a focused and respectful classroom for everyone. If you have an essential call, please step outside discreetly.

7. Code of Conduct:

Let's keep our class environment positive and respectful. Kindly avoid using offensive or inappropriate language. As we navigate through this course, conduct yourself in a manner that reflects leadership and inspires others.

STATEMENT ON ACADEMIC MISCONDUCT:

Academic Misconduct will not be tolerated. For a more precise definition of academic misconduct and its consequences, refer to the Student Rights and Responsibilities policy available at <https://www.nwpolytech.ca/about/administration/policies/index.html>.

****Note:** all Academic and Administrative policies are available on the same page.
