Although a high school diploma is not required for entrance to this program, students should be aware that some employers may require a High School Diploma as a prerequisite to employment.

Applicants who do not meet these requirements may be admitted to the program but they will be required to pass the Apprenticeship & Industry Training (AIT) Trades Entrance Exam during the first semester, if choosing to pursue an apprenticeship.

REQUIRED TEXT/RESOURCE MATERIALS: Parts Technician 1st Period Apprenticeship ILM's. Students who have successfully completed the program and also completed an acceptable Alberta Apprenticeship Prior Learning Assessment Application (PLA) may have the opportunity to challenge the Alberta Apprenticeship and Industry Training first and second year Parts

and/or Materials Technician apprentice exam. A fee is payable online with a Visa or MasterCard ONLY by the student per PLA prior to challenging the exam.

CALENDAR DESCRIPTION: This theory course covers workplace safety as well as safe handling of hazardous materials in a parts and materials warehouse. In addition the course will cover proper communication skills which will provide parts and materials technicians the ability to offer quality customer service. The final segment of the course will deal with transportation and traffic as they relate to a parts or materials warehouse.

CREDIT/CONTACT HOURS: 8 Credits –130 Contact Hours – 8 hours per week

DELIVERY MODE(S): Instructor led classroom theory.

OBJECTIVES (OPTIONAL): The program has been developed to provide students with entry level skills as a Parts and/or Materials Technician. After obtaining requisite number of hours in the work force, the student would be eligible to continue with Alberta Apprenticeship and Industry training in the Parts Technician and/or Materials Technician trade towards journeyman certification.
