STUDENT RESPONSIBILITIES:

The assigned readings and exercises for each class should be completed before attending that class, except for the first class. As this course depends heavily on practice exercises, attendance at all sessions is required and is critical to the student's success in the course. In case of illness or emergency, notify the instructor as soon as possible. If you find yourself having difficulty in this course, please contact the instructor immediately for assistance. If you simply want more discussion with the instructor about any aspect of the course, please visit my office during office hours or at a more convenient pre-arranged time.

If a student is unable to attend an in-class test or quiz, the instructor must be advised before the test/quiz is administered. Voice mail or e-mail notification is fine. The test/quiz will then be written at later at the testing center or pre-arranged location. Failure to notify the instructor of an absence will result in a grade of 0 on that test/quiz.

It is expected that all students will display a professional attitude and behaviour in the classroom. This includes reliability, respect for and cooperation with your fellow students and the instructor, attention to fellow student questions and instructor's response, determination to achieve first-class work while meeting deadlines, and constructive response to criticism.

STATEMENT ON PLAGIARISM AND CHEATING:

Cheating and plagiarism will not be tolerated and there will be penalties. For a more precise definition of plagiarism and its consequences, refer to the Student Conduct section of the College Calendar at <http://www.gprc.ab.ca/programs/calendar/> or the College Policy on Student Misconduct: Plagiarism and Cheating at <https://www.gprc.ab.ca/about/administration/policies>
