**COURSE DESCRIPTION**

Integration seminar provides a forum for students to resolve issues and explore areas related to their studies and their volunteer experiences.

## CLASS FORMAT

Classes will be conducted in seminar style, requiring students' **ACTIVE** participation in discussions. Student involvement is crucial to the success of your integration seminar. Student led discussions and presentations will be incorporated.

Student agendas are posted on your instructor's office door. Students are encouraged to place on the agenda any items they wish dealt with during the seminar. Class time will consist of discussion of ongoing issues as identified by students on the agenda.

## COURSE OBJECTIVES

1. Students will become familiar with the Rehabilitation Services Program and the field of rehabilitation.
2. Students will express their points of view, feelings, and concerns regarding courses and issues in the field of (re)habilitation.
3. Students will present an overview of their <sup>Volunteer</sup> practicum setting.

## EVALUATIONS

Student Agenda Items. It is expected that each student submit approximately 5 to 8 items over the course of the semester. Sign up sheets will be posted on the Instructor's office door.

Participation will be based on the following criteria:

1. Attendance is mandatory Please note #1 of rules and regulations.
2. Group Membership Skills  
e.g.
  - attentiveness
  - turn taking
  - acceptance of other's viewpoints
  - speaking - relevancy, frequency, oral presentation
  - non-verbal behaviour
