Attendance at lectures is strongly advised; the same applies to your active participation during class.

## PLEASE NOTE:

☛ A missed exam unfortunately cannot be accommodated - *unless* the situation is an unexpected personal or family emergency. No make-up exams unless it's an emergency.

What the course assignment(s) and current events/media presentations entails (60 points of your course grade) will be discussed in detail as classes get underway and as the course progresses. *You will be provided with instructions and relevant information with plenty of lead time.* Details and due dates will be announced in class and on Moodle.

Plagiarism detection software may be used in this course, and students may be required, individually or collectively, to submit key assignments/components in electronic form.

It is your responsibility to ensure that all your work is at a level appropriate to your year in college/university studies. Always spell- and grammar-check your work; always keep a hard copy or disk copy of your work as back-up. There is writing help on campus, and if in doubt you are always welcome to ask me, your instructor, for clarification. Poor spelling, grammar and organization always interferes with the clear communication of ideas and you *will* lose marks if your over-all communication is ineffective.

Attendance at lectures is strongly encouraged; the same applies to your participation in class discussions. ***Be an active participant in your education!***

**Late assignments (or any applicable assignment/course components) will result in an automatic loss of 5 marks (of the value of the work) PER DAY, up to and including the day of a late submission, unless immediate or prior arrangements, based on exceptional circumstances, have been made. Documented personal or family emergencies, of course, will be accommodated.**
